Createspace, United States, 2013. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Many have difficulty with the Law of Attraction because of at least 3 things. 1. Many that use it treat it like superstitious hocus-pocus. 2. Some try to use it as a Wish it-Get it, Name it-Claim it game. 3. It is often used without regard to any other positive outcome activity. Here are some reasons that match the numbers above: 1. The Law of Attraction is not magic or miraculous. It is the use a certain psychological tools that better conditions for success. 2. If wishes were fishes, we d all have a fry. To expect a wish to come true based upon its promise alone is a dreadful way to live. There is a huge probability you ll never get your wish. 3. While true that what we tend to ponder, worry, or obsess is more likely to come our way; it can also pass right by us if we aren t prepared for it. We have to make room for what we want, else it slips through our fingers like a hand full of water. All this really means that the Law of Attraction is not for the lazy or the day dreamer. But there are successfully proven techniques that can make it a delightful lifestyle for you. This law has enriched my life since boyhood, even though I didn t even know it as a law as a boy. It has been the major influence to those I ve ever shared it with, even though they didn t know that I was sharing. I stumbled on this truth as a process or game at age 13. Some of my friends, who have known me since childhood, may remember the...
