The Prozac Conspiracy: A Novel Exposing the Mass-production of Mental-illness (Paperback)

By David Seymour

AUTHORHOUSE, United States, 2001. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.The Prozac Conspiracy: A Novel Exposing the Mass-Production of Mental Illness reveals the horrifying truth that the epidemic of mental illness sweeping our nation is being driven by corporate greed. Depression is a natural part of the human experience that can potentially serve personal growth, not mental illness! The pharmaceutical industry and their sales force of psychiatrists claim that mental illnesses are caused by chemical imbalances in the brain. It has never been proven! Their sophisticated propaganda campaign preys on our nation's most troubled and vulnerable people. The clinical trials for the antidepressant Prozac had proven that its most common side effect was in fact depression! Prozac often creates the very symptom it is supposedly stopping! Combine that trickery with Prozac's addictive component and repeat sales are guaranteed. This explains why there are currently 27 million Americans trapped by Prozac as well as the horrifying suicide and violence associated with its use. How do they get away with it? Prozac manufacturer Eli Lilly Co.'s legal defense strategy has successfully kept the thousands of claims filed against them out of court,...
