

Colonial History of the Parish of Mount Carmel as Read in Its Geologic Formations, Records and Traditions (Classic Reprint) (Paperback)

Filesize: 6.27 MB

Reviews

It is just one of my personal favorite books. I was able to comprehend every little thing out of this published publication. It is extremely difficult to leave it before concluding, once you begin to read the book.
(Isaac Olson)

COLONIAL HISTORY OF THE PARISH OF MOUNT CARMEL AS READ IN ITS GEOLOGIC FORMATIONS, RECORDS AND TRADITIONS (CLASSIC REPRINT) (PAPERBACK)

Forgotten Books, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from Colonial History of the Parish of Mount Carmel as Read in Its Geologic Formations, Records and Traditions The aim of the writer has been to place before the reader, incidents in the lives of men and families, with biographical sketches of character, and, so far as possible, illustrated by photographs of houses still preserved that date back to the first century of settlement. Few individuals now live who can contribute from memory or tradition, events prior to 1800. At that date, seventy years had passed, during which time the conception and carrying out the greater part of the structure which now completes the map of Mount Carmel, had been completed. The question is often asked, Who was the person that gave the name to the parish? So far as can be ascertained, satisfactory replies will be given, with, perhaps, some of doubtful issue, leaving a field for future historians to explore. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works.
