When former U.S. Marine Adrian Mendez decided to return to his beautiful twin-island homeland of Trinidad and Tobago in the southern Caribbean, he didn't expect to find the woman of his dreams. But one chance encounter with the captivating Cory Phillips was all it took. Adrian quickly realizes once just isn't enough with this beautiful but feisty island goddess. Headstrong and set in her ways, Cory struggles tremendously with the military stereotypes of the island. But when this gorgeous, sensual--and deadly--soldier offers her his help, how could she resist him? After many sultry and pleasure-filled steamy Caribbean nights with Adrian, Cory finds herself going against everything she once believed in. Their lustful island pursuits lead to a sizzling romance in paradise--but what they both discover about the past threatens to destroy any chance of a happily ever after. Can their love survive this tropical turbulence even as danger and deception lurks? Sensuality Level Hot Heather Rodney-Diaz lives on the twin islands of Trinidad and Tobago in the southern Caribbean, indeed her motivation for writing spicy and super-sexy multicultural romantic island escapes. Here, on these fascinating islands of sun, sand, and sea, there's no better place for dreaming up scorching hot heroes or falling in love. *Island Pursuits* is her debut novel.
