Shakespeare s Pronunciation: A Shakespeare Reader in the Old Spelling and with a Phonetic Transcription (Classic Reprint) (Paperback)

By Wilhelm Viëtor

Forgotten Books, 2018. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from Shakespeare s Pronunciation: A Shakespeare Reader in the Old Spelling and With a Phonetic Transcription IN order to illustrate What I believe to be the pronunciation of Shakespeare, I have selected a variety of extracts for 02052 0068 reading from Venus and Adonis, The Rape of Lucrece, and the Sonnets, and from all the plays in the first Folio, With the exception of The Comedy of Errors, Henry VI., Troilus and Cressida, and Titus Andronicus. I venture to hope that the familiar passages here presented in a pho netic form Will thus gain a new antiquarian interest, without losing anything of their old power and charm. In Spite of the deplorable state of the text and other difficulties I have not resisted the temptation to include in this unpretending Shakespeare revival part of the amusing French scene in Henry V. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at This book is a reproduction of an important historical work.
